

## “What to expect when you are adopting?”

- Diamond, Platinum and Gold adoptive families will be invited to a **Beach Day** held at the Reef Ball site Paradise Cove.
- During the Beach Day you and your team will receive a recognition award during the dedication ceremony.
- Local and International press will be invited as well as Port Authority and Government representatives joining the celebration of companies who have shown incredible environmental stewardship.
- Dedicated press releases, website updates and social media links.

*For US based companies operating in the Bahamas, your contribution directly to the Reef Ball Foundation - a 501(c) 3 US N.G.O. - is Tax deductible.*

Credit: Bryan Treiber

### Real dedication?

The program is also open to a limited number of Elite Sponsors or Project Partners with a minimum of 10 diamond adoptions. Elite partners will receive a unique, personalized VIP team building beach day at the resort and other VIP advantages. Contact us for more information.

For as little as \$15, your employees can adopt a coral to be placed on your corporate Reef Ball

# ADOPT A REEF BALL

**CORPORATE PROGRAM**

**Paradise Cove**

The best snorkeling spot on Grand Bahama!

# Why Adoption is Important:

1. *Each adopted ball* produces up to 500 lbs. of biomass yearly, that's fish, lobsters, coral and algae! Spill over effect means more fish available to the local Bahamian public
2. *Each adopted ball* supports a "Coral Propagation Program", which rescues local endangered or imperiled corals and transplants them onto designated units.
3. *Each adopted ball* supports local schools where students will be able to learn about the importance of the marine environment in a hands-on experience.
4. *Each adopted ball* supports the College of the Bahamas, biology division for coral propagation training including monitoring growth and fish density studies.

"Adopt-a-Reef Ball" program:

## **Diamond Adoption:**

Diamond sponsors will help to create an amazing piece of the reef, with units completely covered with rescued & propagated, endangered corals. They will be placed in the deeper water and will serve as specified coral propagation training and monitoring sites. Sponsors will receive a recognition award during the dedicated ceremony, a brass dedication plaque with your company name or logo will be placed on the Reef Ball and all employees will be invited to spend the day at the resort. Only 10 Diamond Sponsors are available. Costs: \$1,200 each.

## **Platinum Adoption:**

Platinum sponsors will help create biomass by putting a "naked" Reef Ball in the water. These units will be placed in the deeper water and may serve as additional propagated coral training and monitoring sites. Sponsors will receive a recognition award during the dedicated ceremony, a brass dedication plaque with your company name or logo will be placed on the Reef Ball and all employees will be invited to spend a day at the resort. Only 20 Platinum sponsors are available. Costs: \$700.

## **Gold Adoption:**

Gold sponsors will add to the reef, smaller Bay Ball units, helping to create biomass around the island of Grand Bahama. The units will be placed in shallower waters. Sponsors will receive a recognition award during the dedication ceremony. Brass dedication plaques are available at an additional charge. Only 40 Gold sponsors are available. Costs: \$500

## **Individual Adoption:**

Individual sponsors will add to the reef, smaller Bay Ball units. This sponsorship is for individuals desiring to adopt a Reef Ball directly. Sponsors will receive an individual recognition certificate. Brass dedication plaques are available at an additional charge. Costs: \$200
